Our grazing boards are a modern and artistic food sharing adventure! We pair a variety of local and imported ingredients to create both a visual and culinary experience.

We have two types of grazing boards, that have been suited to either light snacking or more substantial eating. Whilst both packages will have your guests satisfied, it's worth noting that our grazing boards are not intended as a full meal.

If you wish the grazing boards to be a meal replacement or more filling, we recommend the addition of a pizza, sliders or hot chip/wedges platters.
